To all members, thank you for your continued interest and support in the Gulf Fishermen's Association and the recent legal battle over Law 18A and the mandatory VMS units. If you have made a donation to the association, please mark your membership level below and fill in the requested information for our records. If you are not a current member of the association and would like to become one, you can still fill in the information below and enclose your membership donation. For more information on the GFA and current issues, visit www.gulffishermen.org or e-mail your questions and suggestions to **brooks3glen@yahoo.com**. Every board member will review your ideas and concerns. Thank you.

-Glen Brooks

An overview of current concerns of the GFA:

- IFQ's (Individual Fishing Quotas)
- Gag grouper assessment
- Sharks assessment
- Amber Jacks
- Quotas
- Trip limits
- Quota reallocations

All members: Pay attention to Snapper IFQ. You may have to vote on Grouper IFQ.
